

Fares Mohamed

JUNIOR DATA ANALYST

Egypt, Sharqia | 01090892013 | fares.mohamed516@gmail.com

Objective

Junior Data Analyst and Computer Engineering graduate with a strong foundation in data analysis, data modeling, and business intelligence. Passionate about transforming data into actionable insights and supporting data-driven decision-making. Eager to contribute analytical skills and continuously grow in a data-driven environment.

Projects

Sales Analysis Dashboard – Power BI

- Performed data cleaning and transformation using Power Query.
- Designed data models integrating sales, customer, and product data.
- Built interactive dashboards using Power BI to analyze revenue, customer behavior, and product performance.
- Extracted key business insights to support data-driven decision-making.

Project Management Dashboard – Excel & Power BI

- Developed a project management dashboard using Excel and Power BI.
- Performed data cleaning and analysis to monitor project performance and progress.
- Identified inefficiencies and created visual reports to support decision-making.

Education

Badr University in Cairo (BUC), Cairo, Egypt

2021 – 2026

Bachelor's Degree in Computer Engineering and Systems (GPA: 3.60/4.00)

- Academic Excellence Award (2025 – 2026):** Recognized for outstanding academic performance during the 2025–2026 academic year.
- AI Hackathon – 2nd Place (May 2025):** Awarded second place in the BUC AI Hackathon for developing an innovative AI solution, demonstrating strong problem-solving and technical skills.
- Top Rank Honors (2023 – 2024):** Ranked 3rd (tie) in the Computer Engineering & Systems program with a cumulative GPA of 3.54.

Skills

TECHNICAL SKILLS

- Excel (Pivot Tables, Power Query)
- Power BI (Dashboarding, Data Modeling)
- SQL (SELECT, JOINS, GROUP BY, Subqueries)

- Python (Pandas)

CORE SKILLS

- Data Cleaning & Preprocessing
- Data Analysis & Visualization
- Business Requirements Analysis
- Analytical & Critical Thinking
- Problem Solving
- Attention to Detail
